# update_b

# Four-legged pick-me-up.

*update_b* from the *update* chair family has been specifically developed to be used in cafés, restaurants, bistros and cafeterias: light and delicate-looking the frame dimensions, fluent armrest design, an ergonomically-shaped seat shell and optional high-grade luxury upholstery.

*update_b* offers a number of options: The seat shell is available with higher back for more formal look and as materials, there is a choice of beech or oak plywood and easy-care laminates. A variety of colourful beech stains for the shell and powder-coated or chrome for the frame finishes make the *update-bistro* an eye-catching feature in any cafeteria.

The functionality of *update_b* reflects in its sophisticated design. A stack of eight chairs is a little more than a metre high and *update_b* without arms weights only five kilogrames, which speaks of its excellent mobile use.The form, function and material of *update_b* make it a favorite among Wiesner-Hager sitting furniture.

**Design: arge 2**

# Optional.

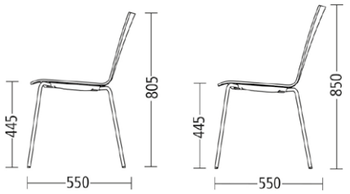
W= width / D = depth / SH = seat height / H = total height / ARH = armrest height / Dimensions in mm

**Stacking.**
Up to max. 8 chairs on floor and on stacking trolley 6491-000. Up to max. 12 chairs on stacking trolley 6396-001

**Comparison of seat shell with low and with high back:**



**Knee roll.**
The ergonomically shaped knee roll ensures superior seating comfort, aids blood circulation in the legs and prevents pressure points.

## Standard models:

**Stacking chair 6330:**
precision tubular steel frame, plastic glides. Plywood seat shell in beech or oak. Upholstery with quilting seams. Black plastic stacking dish. Stained wood finish, powder-coated metal surfaces.

**Stacking chair 6331:**
precision tubular steel frame, plastic glides. Seat shell fully upholstered. Seat with quilting seams, plain backrest. Black plastic stacking dish. Powder-coated metal surfaces.

**Stacking chair 6332:**
precision tubular steel frame, plastic glides. Plywood seat shell with laminated plastic surface (edges of shell always natural beech). Upholstery with quilting seams. Black plastic stacking dish. Powder-coated metal surfaces.

**Stacking chair with arms 6333:**
precision tubular steel frame and arms, plastic glides. Black plastic arm caps. Plywood seat shell in beech or oak. Upholstery with quilting seams. Black plastic stacking dish. Stained wood finish, powder-coated metal surfaces.

**Stacking chair with arms 6334:**
precision tubular steel frame and arms, plastic glides. Black plastic arm caps. Seat shell fully upholstered. Seat with quilting seams, plain backrest upholstery. Black plastic stacking dish. Powder-coated metal surfaces.

**Stacking chair with arms 6335:**
precision tubular steel frame and arms, plastic glides. Black plastic arm caps. Plywood seat shell with laminated plastic surface (edges of shell always natural beech). Upholstery with quilting seams. Black plastic stacking dish. Stained wood finish, powder-coated metal surfaces.
